JUNIOR HIGH SCHOOL

PRINCIPAL'S MESSAGE

This YEARBOOK gives me an opportunity to express my sincere congratulations and best wishes to those who are graduating from Higgins this year. You are the largest Ninth Grade class ever to graduate from this school. From all our future projections there will never again be one as large as yours.

There is no question that the boys and girls at the Higgins Junior High School have established a remarkable Junior High School Sports Dynasty. So for during this school year you have won the Greater Boston League (G.B.L.) championships in Boys Football, Girls Basketball, Boys Hockey and Fall Track. What has been accomplished at the Higgins will eventually be refined in your high school and college sports.

The Blizzard of '78 will long be remembered as the most awesome winter storm ever recorded in Peabody. The forces of nature struck late on Monday, February 6th and brought the whole Industrial, Civic, Economic and Educational life of the Eastern seaboard of the United States to a standstill. Man with all his resources and might could not tame the forces of nature when they roared and swirled out of control. The storm of the century was delightful and devastating; it brought friendliness and frustration; it was beautiful and backbreaking. For over a month the 27.1 inches of snow piled high around our homes and school. Yet from the hardship came friendship. People reverted to a way of life that had not been seen since it passed away with advent of the automotive age. We learned to live for a short while without our private automobiles; we walked and shopped for food on foot; we went out as a family and even helped our neighbor. Yet at times, we were shocked by incidents of vandalism and looting.

I wish to thank the Staff and Faculty Advisors for the hours of work they devoted to make this YEARBOOK possible. Finally, the entire Higgins staff wish you every measure of success and happiness that is within your means to achieve.

Sincerely,

Edward J. O'Connor
